# Message from the CRFU President

I have really enjoyed my first year as president and am very much looking forward to the next, although the gap between the two appears to get shorter and shorter!

I am very aware that the demands of Representative Rugby, extend the season and have been mightily impressed by the commitment, effort and passion shown by all those who have worn the black and gold this past year. It has been remarkable, and I commend you all.

The 'off season' is a vital part of a player's recovery, for body and mind and I trust you have all recharged your batteries, here we go again!

This also extends to the Constituent Body (CB) who have continued to astound me working endlessly for the benefit of Cornish Rugby.

I would like to welcome our new chairman Steve Murley to the fold having taken over from Dave Saunter at this year's AGM.

Whereas I had some rather large shoes to fill taking over the presidency from John Sumnall, Steve will no doubt feel the same. Saunts put in a massive amount of time and effort in his 5 years as chair and did a fantastic job, thank you Saunts on behalf of the CRFU.

I am positive Steve will be equal to the task as he is no stranger to the fold, being the former Diversity and Inclusivity Lead on the CB.

Thanks, must also go to Tom Magill, our sterling Chair of Club Development who has also stood down this year and will be sorely missed.

Looking back on the season I have seen some wonderful games and been made very welcome, meeting new and old friends. I don't know why but I have been more than pleasantly surprised by the vibrant and thriving atmosphere in the clubs I have visited. This may be due to the negative press around rugby in recent years, but it was fantastic to see and long may it continue.

I apologise to those clubs who I have not visited yet, mainly in the west of the county, so I will put the blame on the multiple road closures from Chiverton to Carland Cross. I hope to see you this coming season now I have no excuse!

It was a case of nearly for our county women, men's and U20's teams this season. The women put in a massive performance in the semi-final up in Durham only to lose out late on and the men were a point away from upsetting Kent who went on to retain the title. The U20's had 4 players selected for the South West and provided the captain and vice-captain in Will Perkin and Jack Statton, a fantastic achievement.

The county game continues to face pressure but anyone at any of our home games (or indeed away!) could see what county rugby means to Cornwall. We will continue to strive to compete and raise our game for the coming season and I wish all our teams the very best.

Congratulations to our clubs on a positive season with many fine teams and performances shining through, along with more fixtures being fulfilled than last season.

Again, we have many fine young adults ready to enter senior rugby, so my message is to embrace these youngsters and their enthusiasm into your clubs.

The addition of a counties 3 league could prove a valuable addition this coming season with more competitive teams and matches.

To all involved at every club, keep up the good work! You are much appreciated and very much a part of the success of Cornish Rugby. Keep your eye out for the CRFU newsletter as it contains lots of useful info and opportunities which can be of benefit to your club. I look forward to meeting as many of you as possible in the coming season.

All the best for the coming season.

Onen Hag OI

## RUGBY FOOTBALL UNION

I want to wish everyone involved in rugby in Cornwall all the very best for the season in what is a more positive time. Rugby union, like all sports, has had to emerge from the pandemic challenges, and huge thanks are due to our many volunteers who helped get us back on track.

We have much to be positive about and to celebrate, including the success of the tackle height changes. Analysis shows subsequent reductions in tackles made above the base of the sternum, no decline in player numbers, and no increase in yellow and red cards. Players have also reported feeling safer playing rugby during the past season.

The Future Competition Structure work saw men's league structures reduce travel demands, points difference also suggesting it resulted in more competitive, enjoyable matches with the completion rate very encouraging. Player numbers also appear to have stabilised. Sport England's Active Lives latest figures show us returning to pre-pandemic levels.

And, after 18 months' collaboration, the RFU, PRL, Premiership clubs, and the RPA co-created a new Men's Professional Game Partnership, transformational for the professional game with a long-term positive impact for community rugby.

Our Community Game Future Project ten-year plan, with 15 key priorities for investment and prioritisation, has been based on extensive engagement with the game over 20 months. And a four-year roadmap will see the first commitment to multi-year investment in the community game.

Following the success of age grade registration, adult player registration will benefit the whole rugby community and bring us in line with most other Unions and sports.

We also look forward to hosting the women's world cup around the nation, the Impact '25 legacy programme that we are delivering with Government, Sport England and UK Sport, will see improvements in facilities, greater opportunities for females at all levels and support offered to clubs.

Our Red Roses secured victory in the inaugural WXV in New Zealand and a third Grand Slam in a row. England's men reached third place in the 2023 Rugby World Cup in France, narrowly missing second place in the 2024 Six Nations. The squad's first ever match against the Brave Blossoms in Tokyo brought victory and two demanding Tests in Dunedin and Auckland in July saw narrow losses with players learning a lot before a challenging autumn schedule against New Zealand, Australia, South Africa, and Japan.

I am certainly looking forward to the season ahead. Becoming the President of the RFU is the single greatest honour of my life and I plan to revisit our core values of Teamwork, Respect, Enjoyments, Discipline and Sportsmanship. It's important to make them relevant to young players so they can live these values.

I also plan to use my personal story – that of a foreign born, state school educated, political refugee - to demonstrate that rugby is for everyone, regardless of background or origin. Everyone contributes something special whatever role they play.

I would like to thank all in Cornwall for your work on behalf of rugby and I look forward to meeting some of you in the coming months.

Rob Udwin,  
President,  
Rugby Football Union

2. Cornwall RFU committee shall appoint a Youth Competition Secretary Who shall run all competitions and have the final decision on any conflicts. An appeal on the competitions secretary's decision must be put in writing to the Youth Chairman within 7 days of the decision for the Youth committee to discuss.
3. The competitions Secretary shall decide upon the format, depending on the number of teams entered and a draw made accordingly. The Competition Secretary shall issue results of the draw, including dates of matches to participating clubs.
4. Matches will normally be played on the weekend of the dates stated in the draw. However mid-week/floodlight games are permissible provided mutually agreed to overcome any fixture problems, the youth competitions secretary must be informed. Kick-off will be 2.30pm for Saturdays and 11.00am on Sundays, a kick off time may be altered with both clubs agreeing, if a changed KO cannot be agreed then the default time will be used, if a club cannot fulfil that time, then the offending club can be deemed to have lost the match or the game re-scheduled at the discretion on the competition secretary.
5. Players must have a current registration with their respective club, any players playing out of age grade must have the necessary paperwork completed and the opposition informed 24 hours before kick-off, the. All players, including replacements, are deemed cup tied once they appear in a league or cup fixture.

team sheets are provided by the Youth Competition Secretary, they will include players name, date of birth and RFU registration number. A player who is not a registered member of any club participating in the competition may join, providing they do register. Any player wishing to Join another club and is not cup tied may do so. Any players not covered by the above regarding eligibility must prior to appearing in the competition contact the Youth Competition Secretary.

6. Should a pitch be deemed unplayable within 24 hours of the kick off, the Youth Competition Secretary must be notified immediately with video proof and the game moved to the oppositions pitch if playable, on the day of the game The Youth Competition Secretary will reschedule the game unless both parties agree on an alternative venue, Failure to accept the Secretary's decision will result

in points or game deduction for the offending club.

7. All games shall have a duration of (age grade) minutes each way, with no extra time to be played at any stage of the competition. In the event of an abandoned match, for whatever reason, the result must be notified to the Youth Competition Secretary.

The Youth Competition Committee / discipline committee will make the final decision.

8. Points for pool matches will be awarded as follows:

4 points for a win

2 points for a draw

1 bonus point for a team scoring four or more tries

1 bonus point for a team losing by 7 points or less.

Should a game not be played, with no fault attributed

to either side, then 2 points will be awarded to both. Where a club concedes a

game and does not play as a friendly they will be deducted 5 points, and their opponents will be

awarded 5 points, should a club withdraw from the Competition, the

points together with for and against scores in matches already played

shall be removed from their opponent's total. Pool positions will be determined

firstly, by the number of pool points accrued. In the event of a tie, the pool

position will be determined by points scored and points conceded. Should there

still be a tie then the result of the game between the two teams will count.

9. Should a team be short of players, "GAME ON" principles are compulsory, opponents should attempt to loan them

players. Any loaned player will not be cup tied. Failure to agree this compromise.

will result in the game being played with reduced numbers on both teams

(minimum of 10 players). Both teams MUST play with equal numbers always except for a yellow or red card being issued by the referee.

Substitutes: unlimited rolling substitutions with unlimited interchanges permitted, all substitutes must play for at least (age grade) minutes, the RFU age grade "half time rule" will apply to all cup and league games.

we strongly advise that substitutes be used in a fair and even way, if a team has 15 or less players the opposition are encouraged to use their substitutes on both sides giving every player game time and playing in the "spirit" of the game.

10. Positions in the qualifying stages (if any) of the competition shall be based firstly on the group points awarded (as 9 above). Should there be a tie then the difference between match points for and against shall count. If still equal, then by the results of the game between the two teams, and if still equal, then by the total number of tries scored.

In the knockout stages of the competition, should teams be level at full time the

team scoring the most tries shall be deemed the winner. If equal, then the team

with most conversions shall win, and if still equal, the team scoring the first try shall be deemed the winner.

11. The finals of the competition will be played at a venue organised by the competitions committee; the date of the finals WILL NOT be changed to accommodate clubs. Should a game end in a draw, the side with the most tries will be deemed the winner. If level, the side scoring the most conversions will be deemed the winner, if still level, the team scoring the 1<sup>st</sup> try shall be deemed the winner.

12. **Referee's** - For all matches in the competition the host club will supply a suitable qualified referee. For U16's and Colts the Cornwall Referees Society shall appoint a referee, should no appointed referee be available clubs should mutually agree to obtain a suitable qualified/trained replacement. If no agreement can be reached the Youth Competition Secretary must be notified immediately. The Youth Competition Secretary will make a ruling or reschedule the game within 4 weeks of the original date. Failure to accept the Secretary's decision will result in points deduction for the offending club.

Any points not covered above must be verified by the Youth Competition Secretary.

## CLUBS PLEASE NOTE:

All CRFU Youth group trophies, including the sevens competition, must be returned engraved to the Competitions Secretary four weeks in advance of finals or your club will be invoiced for a replacement cup.

In accordance with the RFU age grade ruling, any club may select in their COLTS squad a player from the, U16s, U17s, U18s and U19s age groups (subject to the correct playing up or down assessment).

Girl's banding:	U12's / U14's / U16's and U18's
U16's boys:	U15's / U16's / U17's
COLTS boys:	U16's / U17's / U18's / U19's

The opposition must be notified of any player playing out of age grade in the match day squad no later than 48 hours prior to kick off, no U16 is allowed on the field of play if an U19 is playing, no U15 is allowed on the field of play if an U17 is playing, the half game rule still applies, the opposition will reserve the right to refuse players to play if notification has not been given.

*Failure to notify the opposition will result in a penalty -5 league points or the win being stripped if it's a cup game.*

### **Combined playing squads.**

In line with RFU regs regarding combined age groups, all CRFU competitions endorse combined age groups and will not be excluded from playing in any cup or league competitions. However, the CRFU are fully aware of the concerns of some clubs in relation to safeguarding. Please see the code of practice below.

### **Code of Practice when arranging fixture for a combined team**

Any combining of teams, U12-18's, must gain CB approval prior to any fixture. The form can be found at RFU regulations>reg15>combining out of age grade form. After completing all sections, paying particular attention to the "**group player assessment**" section, click on the submit box at the bottom of the form. If the application is approved, you will receive confirmation by email.

Prior to the fixture:

- You must contact the opposition fixtures secretary in good time, by Thursday at the latest, to advise that you have a combined age team. Have a discussion with the opposition coach and make sure they are aware of how you intend to manage any of the larger older players. This discussion needs to be player centred and development driven. Remember these are children and we have no wish to exclude any player.
- If you have good numbers in the younger group, please ensure you include them all in the match day squad and use the older players as rolling subs, ensuring they get at least half a game. (this can be in ten-minute segments)
- Do not use the larger older players as "crash ball carriers" this will do nothing for their own personal development nor that of their teammates.

Remember, combining of age groups allows clubs who are struggling with low numbers to give their players the opportunity to continue to play rugby where otherwise players and teams would be lost to the sport.

  - (c) nominating a person to act as hospital car service.
5. To provide kit, including spares for the team.

7. To ensure the maximum financial return on the event through:-
  - (a) match advertising - posters, press, radio and T.V.
  - (b) sponsorship.
  - (c) charging admission.
  - (d) programme sales.

### **B. Responsibilities of the Host Club**

1. To liaise with the Age Group as per A.1 above
2. To ensure preparation and marking of pitch(es), provision of flags, water bucket and sponge, balls, oranges.
3. To ensure changing rooms are clean and showers are working.

### **C. Responsibility of the Cornwall R.F.U.**

**THE CORNWALL RUGBY FOOTBALL UNION  
TRIBUTE SUPER CUP COMPETITION  
COMPETITION RULES**

1. The Competition shall be called "The Cornwall Rugby Football Union Tribute Super Cup Competition" ("the Competition"). The Competition shall be organised by the CRFU Competitions Standing Committee ("the Competitions Standing Committee").
2. All matches in the Competition shall be played under the Laws of Rugby Football and comply with the Bye-Laws, Rules and Regulations of the Rugby Football Union ("the RFU") and the Cornwall Rugby Football Union ("the CRFU") in particular the English Clubs Rugby Union Championship National Clubs Association Regulations for National Divisions 1 and 2 (North and South) ("the Championship Regulations"). Where the rules of the Competition conflict with the Championship Regulations, the rules of the Competition shall prevail.
3. *The Competition shall be open to clubs who are affiliated to the CRFU competing at Level 5 and above in the RFU Clubs Championship.*
4. **Eligibility of Players**  
No player may represent a club in the Competition either as a player or selected replacement unless he holds effective registration with that club. A club shall be permitted to select not more than seven replacement players. Including replacements, a club must have at least five players capable of playing in the front row. A club with any doubt or question concerning player eligibility shall apply to either the Chairman or Secretary of the Competitions Standing Committee for a decision which shall be binding on that club.

The RFU Regulation permitting rolling substitutions shall apply to this Competition.

Prior to commencement of the Competition each season the Secretary of each participating club shall supply the Secretary of the Competitions Standing Committee with an up to date list of the eligible players registered with that club with the RFU

5. In the event of a dispute, a Disputes Committee consisting of the Chairman, Secretary and two other members of the Competitions Standing Committee shall decide on the matter, subject only to a right of appeal to the Management Board of the CRFU ("the Management Board") whose decision shall be final and binding. Any such appeal to the Competitions Standing Committee must be accompanied by the payment of a fee of £25.00 and any such appeal to the Management Board must be accompanied by the payment of a fee of £50.00 which is refundable in the event the appeal is upheld unless the Competitions Standing Committee or (as appropriate) the Management Board decide otherwise. Any cheque, bankers draft, postal or money order in payment of an appeal fee shall be made payable to the "Cornwall RFU Limited".
6. Any breach of the rules of the Competition may disqualify the offending club from taking any further part in the Competition for that season and may result in that club being deprived of any financial benefit from it. The Competitions Standing Committee shall have the power to reinstate a club in the Competition where it has been eliminated by such offending club.

7. For matches in the Competition (other than the final) Club Secretaries shall immediately notify the Secretary of the Competitions Standing Committee and the Appointments Secretary of the Cornwall Rugby Referees Society ("the Referees Society") of the agreed date upon which the match is to be played. If mutually agreeable, a normal fixture between the Clubs may count as a Competition match, provided that prior written notice has been given to the Secretary of the Competitions Standing Committee and the Appointments Secretary of the Referees Society. Any difficulty in arranging a match in accordance with these regulations shall be referred to the Secretary of the Competitions Standing Committee.

## **8. Grounds and Match Management**

- 8.1 The home club shall be responsible for correctly and clearly marking its pitch. In addition, it must make proper provision to ensure that (with the exception of the touch judges, the fourth official (if appointed) and others permitted by the rules of the Competition) all spectators replacements and officials are kept at a reasonable distance from the field of play by a permanent or semi-permanent barrier.
- 8.2 The home club shall in addition make provision for two "technical areas" one for each team competing in the match (each of which areas shall not exceed 10 square metres and which shall be at least one metre from the touchline of the pitch). The "technical areas" when occupied must not in any way impede the touch judges or fourth official (if appointed) undertaking their responsibilities). The "technical areas" must be clearly designated between the touchline of the pitch and any perimeter or pitchside fencing or other barrier as being that to which all those permitted within the pitchside or perimeter fencing (i.e. not more than two medical staff responsible for administering treatment to players and not more than two persons carrying water for the players) are to be restricted during the match other than periods of half time or (if appropriate) between full time and any replay and any half time interval during such replay.
- 8.3 Participating clubs in a match must ensure that team replacements and coaching staff are not permitted within the pitch side or perimeter fencing or other barrier (unless there is a permanent or semi-permanent "dugout" in place in which case team replacements and coaching staff must confine themselves to the "dugout" or keep without the pitch side or perimeter fencing or other barrier) other than when a replacement is about to replace a player on the pitch, when a player is temporarily suspended or at and for the extent of half time or (if appropriate) the period between full time and any replay and any half time interval during such replay.
- 8.4 Not more than four water carriers per team (including medical staff) are permitted within the pitch side or perimeter fencing or other barrier and water carriers may only be permitted onto the playing area for the purpose of taking water to the players at such times as shall be approved by the Referee (on any other occasion players must come to the touchline to get water).

## **9. Postponed Matches**

If weather or ground conditions prevent a match being played or a match is abandoned because of such conditions, with less than sixty minutes having been played, it shall, if possible, be played or replayed. If this is not possible, the matter shall be referred to the Competitions Standing Committee for a decision. If a match is abandoned because of such conditions, when sixty or more minutes have been played, the score at the moment of abandonment shall stand and be deemed to be the final score in the match. The Referee's decision as to the necessity for abandonment and the number of minutes played at the moment of abandonment shall be final.

**10. Notification of Results**

The Secretary of the home club shall be responsible for informing Lee Maher ([leemaher@btinternet.com](mailto:leemaher@btinternet.com) 07720 826664) of the result of the match within TWENTY FOUR HOURS of the final whistle and in writing not later than first post three days after the match is played. Any Club wishing to appeal must follow the appeals procedure laid down in Paragraph 5 of the Competition rules.

In addition, one bonus point shall be awarded to any team scoring four or more tries in a match and a further one bonus point shall be awarded to any losing team where the margin of defeat is seven points or less.

11.2 At the end of the group stage the two teams with the highest aggregate number of points awarded shall go forward to contest the final of the Competition. If this does not produce the finalists, the teams with the greatest points difference between those scored and those conceded in the group stage of the Competition shall go forward to the final. If it is still not possible to separate teams the team with the highest combined total of points scored in the group stage of the Competition shall go forward to the final.

11.3.1 In the final, if it is played as a single match, if after forty minutes of play each way, the scores are still level, there shall be an immediate period of replay between the same teams, of ten minutes each way, with a one-minute interval. If the scores are then equal, the team that has scored the most tries shall be the winner. If this does not produce a result, the team that has scored the most goals from tries shall be the winner. If no result is then achieved, the trophy shall be shared between the finalists. There shall be no replay.

11.3.2 In the final, if it is played over two legs, the aggregate scores of the two matches shall decide which team shall be the winner. The first leg match shall be limited to forty minutes of play each way. If, at the end of the two forty minutes of play in the second leg match, the aggregate scores of the two matches are still level, there shall be an immediate period of replay between the same teams, of ten minutes each way, with a one-minute interval. If the scores are still equal the team that has scored most tries in both matches shall be declared the winner. If this does not produce a result, the team that has scored the most goals from tries in both matches shall be declared the winner. If the aggregate scores still be equal and the aggregate goals from tries still be equal, the trophy shall be shared between the finalists. There shall be no replay.

Unless otherwise arranged by the Competitions Standing Committee the final shall be played on a neutral ground and the winning finalist shall receive the Cornwall Rugby Football Union Super Cup Trophy. Prior to 1 March in the following season the Hon. Secretary of the winning finalist shall be responsible for returning the trophy to either the Chairman or Secretary of the Competitions Standing Committee suitably engraved with the name of the winning club, cleaned and in good condition. Any club returning the trophy late, un-engraved, unclean or damaged shall be liable to a fine of £25.00 or shall bear the actual cost of engraving, cleaning or repair whichever shall be the greater. The winning finalist shall be responsible for the security of the trophy whilst it is in its possession.

12. Matches shall start at the agreed time; any delay may be reported by the non-offending club to the Competitions Standing Committee and may lead to the imposition of sanctions against the offending club.

13. **Referees and Assistant Referees**  
Referees for all matches in the Competition and Touch Judges for the final shall be appointed by the Referees Society. 4. **Eligibility of Players**  
No player may represent a club in the Competition either as a player or selected replacement unless he holds effective registration with that club. A player may not represent a club in the Competition either as a player or selected replacement if, in the same season, he has played or been selected as a replacement for another club in any round of the Competition, the Cornwall Rugby Football Union Tribute Super Cup Competition ("the Cornwall Super Cup Competition"), the Cornwall Rugby Football Union Tribute Knockout Cup Competition ("the Cornwall Knockout Cup Competition") or the National Cup competitions or if he is under Contract to or any other arrangement requiring him to play for another club. In the group and all other rounds including the semi-final and final of the competition a club shall be permitted to select not more than six replacements players. In the group and all other rounds including the semi-final and final of the competition including replacements a club must have at least five players capable of playing in the front row. A club with any doubt or question concerning player eligibility shall apply to either the Chairman or Secretary of the Competitions Committee for a decision which shall be binding on that club.

The RFU Regulation permitting rolling substitutions shall apply to this Competition.

Prior to commencement of the Competition each season the Secretary of each participating club shall supply the Secretary of the Competitions Standing Committee with an up to date list of the eligible players registered with that club with the RFU.

Note – Restriction on number of foreign players permitted now deleted.

5. In the event of a dispute, a Disputes Committee consisting of the Chairman, Secretary and two other members of the Competitions Committee shall decide on the matter, subject only to a right of appeal to the Management Board of the CRFU ("the Management Board") whose decision shall be final and binding. Any such appeal to the Competitions Committee must be accompanied by the payment of a fee of £10.00 and any such appeal to the Management Board must be accompanied by the payment of a fee of £25.00 which is refundable in the event the appeal is upheld unless the Competitions Committee or (as appropriate) the Management Board decide otherwise. Any cheque, bankers draft, postal or money order in payment of an appeal fee shall be made payable to the "Cornwall RFU Limited".

6. Any breach of the rules of the Competition shall disqualify the offending club from taking any further part in the Competition for that season and may result in it being deprived of any financial benefit from it and the Competitions Committee shall have the power to reinstate a club in the Competition where it has been eliminated by such offending club. This power shall cease to apply at 2.00 pm two days before the date when a further group match or round of the Competition, immediately following that when the breach of the rules was committed, is scheduled to be played.
7. The draw for the Competition shall be made by the Competitions Committee. To allow for extra time, kick off times shall, unless mutually agreed, be 30 minutes earlier than the recommended kick off time in the CRFU Byelaws. The first named club to be drawn in any round shall be considered to be the home team and unless mutually agreed the venue for the match shall be the ground of such home club. Group matches or rounds shall be played no later than the fixed dates or fixed weekends laid down by the Competitions Committee. **If a weekend is fixed and the two clubs cannot agree on which day to play, the match will be played on the Saturday.** In the event of a disagreement, Paragraph 5 of the Competition rules shall apply. **For all group matches or rounds (other than set dates) Club Secretaries shall immediately notify the Secretary of the Competitions Committee and the Appointments Secretary of the Cornwall Rugby Referees Society ("the Referees Society") of the agreed date upon which the match is to be played.** If mutually agreeable, a normal fixture between the Clubs may count as the Competition match, provided that prior written notice has been given to the Secretary of the Competitions Committee and the Appointments Secretary of the Referees Society. Any difficulty in arranging a match in accordance with these regulations shall be referred to the Secretary of the Competitions Standing Committee.
- 8. Grounds and Match Management**
- 8.1 The home club shall be responsible for correctly and clearly marking its pitch. In addition, it must make proper provision to ensure that (with the exception of the assistant referees the fourth official (if appointed) and others permitted by the rules of the Competition) all spectators replacements and officials are kept at a reasonable distance from the field of play by a permanent or semi-permanent barrier.
- 8.2 The home club shall in addition make provision for two "technical areas" one for each team competing in the match (each of which areas shall not exceed 10 square metres and which shall be at least one metre from the touchline of the pitch. The "technical areas" when occupied must not in any way impede the touch judges or fourth official (if appointed) undertaking their responsibilities). The "technical areas" must be clearly designated between the touchline of the pitch and any perimeter or pitch side fencing or other barrier as being that to which all those permitted within the pitch side or perimeter fencing (i.e not more than two medical staff responsible for administering treatment to players, not more than two persons carrying water for the players) are to be restricted during the match other than the periods of half time or (if appropriate) between full time and any replay and any half time interval during such replay.
- 8.3 Participating clubs in a match must ensure that team replacements and coaching staff are not permitted within the pitch side or perimeter fencing or other barrier (unless there is a permanent or semi-permanent "dugout" in place in which case team replacements and coaching staff must confine themselves to the "dugout" or keep without the pitch side or perimeter fencing or other barrier) other than when a replacement is about to replace a player on the pitch, when a player is temporarily suspended or at and for the extent of half time or (if appropriate) the period between full time and any replay and any half time interval during such replay.

8.4 Not more than four water carriers per team (including medical staff) are permitted within the pitch side or perimeter fencing or other barrier and water carriers may only be permitted onto the playing area for the purposes of taking water to the players at such times as shall be approved by the Referee (on any other occasion players must come to the touchline to get water).

9. **Postponed Matches**

If weather or ground conditions prevent a match being played or a match is abandoned because of such conditions, with less than sixty minutes having been played, it shall, if possible, be played or replayed within seven days of the date originally fixed. If this is not possible, the matter shall be referred to the Competitions Standing Committee for a decision. If a match is abandoned because of such conditions, when sixty or more minutes have been played, the score at the moment of abandonment shall stand and be deemed to be the final score in the match. The Referee's decision as to the necessity for abandonment and the number of minutes played at the moment of abandonment shall be final.

10. **Notification of Results**

The Secretary of the home club shall be responsible for informing Lee Maher ([leemaher@btinternet.com](mailto:leemaher@btinternet.com) 07720 826664) of the result of the match within TWENTY FOUR HOURS of the final whistle and in writing not later than first post three days after the match is played. Failure to telephone in the match result and/or send in the completed official match result card within the time limits laid down will incur a fine for each offence of £25.00. Any Club wishing to appeal must follow the appeals procedure laid down in Paragraph 5 of the Competition rules.

11. **Drawn Matches**

11.1 In all group matches or rounds except the final, if after forty minutes of play each way, the scores are still level, there shall be an immediate period of replay between the same teams, of ten minutes each way with a one-minute interval. If the scores are then equal the team that has scored the most tries shall be the winner and if appropriate go forward to the next round. If this does not produce a result the team that has scored the most goals from tries shall be the winner and if appropriate go forward to the next round. If the scores still be equal and the goals from tries still be equal, the visiting team shall be the winner and if appropriate go forward to the next round.

11.2 Rule deleted. Semi-final round now played as a single leg match.

11.3 In the final, if after forty minutes of play each way, the scores are still level, there shall be an immediate period of replay between the same teams, of ten minutes each way with a one-minute interval. If the scores are then equal, the team that has scored the most tries shall be the winner. If this does not produce a result, the team that has scored the most goals from tries shall be the winner. If no result is then achieved, the trophy shall be shared between the finalists. There shall be no replay.

Unless otherwise arranged by the Competitions Standing Committee the final shall be played on a neutral ground and the winning finalist shall receive the Light Infantry Cup. Prior to 1 March in the following season the Hon. Secretary of the winning finalist shall be responsible for returning the trophy to either the Chairman or Secretary of the Competitions Committee suitably engraved with the name of the winning club, cleaned and in good condition. Any club returning the trophy late, un-engraved, unclean or damaged shall be liable to a fine of £25.00 or shall bear the actual cost of engraving, cleaning or repair whichever shall be the greater. The winning finalist shall be responsible for the security of the trophy whilst it is in its possession.

12. Matches shall start at the agreed time; any delay may be reported by the non-offending club to the Competitions Committee and may lead to the disqualification of the offending club from that season's Competition.
13. **Referees and Assistant Referees**  
Referees for all matches in the Competition and Assistant Referees for the semi finals and final shall be appointed by the Referees Society.
14. **Replacements** - Subject to Paragraph 4 of the Competition rules, replacements are permitted according to Regulations of the RFU.

16. **Finance**
- 16.1 The home club shall be responsible for the proper promotion of the match. All gate proceeds shall belong to the home club except for the final, where it will be collected by the CRFU. The home club shall bear the match expenses, and the visiting club shall pay its own travelling expenses.
- 16.2 The receipts from the final and the sponsorship income will be subject to the same rules as the Cornwall Knockout Cup Competition.

17. **Terms and Conditions of Participation**

## **RULES OF THE CORNWALL RFU 2<sup>nd</sup> XV COMPETITIONS**

These rules apply to both league and cup competitions.

### **Continued Addition for Season 24/25 – DISCIPLINE**

With the reported rise in cases of match official abuse from spectators, and coaches we feel we need to do more to promote and enforce the values of our game. Therefore, in addition to the normal discipline process the competitions committee reserve the right to penalise teams by way of points deduction for league games and forfeiting wins in cup matches. It is all our responsibility to come down heavy of cases of ill-discipline and lack of respect and we will punish any cases that are reported to us.

1. The competition shall be known as the Cornwall RFU knockout Cup or league Competition and shall be open to all clubs with membership with the Cornwall RFU. Clubs wishing to enter must inform the Youth Competition Secretary by the 1<sup>st</sup> of August.
2. Cornwall RFU committee shall appoint a Competition Secretary who shall run all competitions and have the final decision on any conflicts. An appeal on the competitions secretary's decision must be put in writing to the competitions Chairman within 7 days of the decision for the committee to discuss.
3. The competitions Secretary shall decide upon the format, depending on the number of teams entered and a draw made accordingly. The Competition Secretary shall issue results of the draw, including dates of matches to participating clubs.
4. Matches will normally be played on the weekend of the dates stated in the draw. However mid-week/floodlight games are permissible provided mutually agreed to overcome any fixture problems. Should a club need to alter a scheduled date they must contact the Competition Secretary 3 weeks prior to the scheduled date. Should the reason for postponement be granted, the Competition Secretary will reschedule the game within 4 weeks of the original date. Failure to accept the Secretary's decision may result in a penalty.

5. Players must have a current registration with their respective clubs, any players loaned should be written on the match card with an Asterix next to their name. Team sheets are provided by the Competition Secretary, they will include players name and RFU registration number.

A player who is not a registered member of any club participating in the competition may join, providing he does register. Any player wishing to join another club and is not cup tied (3 games or less) may do so with the relevant paperwork completed and signed off, no registered player may transfer after the deadline date which is the 1<sup>st</sup> of March without express permission from the CRFU committee.

Any players not covered by the above regarding eligibility must prior to appearing in the competition contact the Competition Secretary.

6. Should a pitch be deemed unplayable within 24 hours of the kick off, a local member of the Cornwall Referees Society must be asked to confirm this decision.

The opponents and the Competition Secretary must be notified immediately.

The Competition Secretary will reschedule the game,

Failure to accept the Secretary's decision will result in points or game deduction for the offending club.

7. All games shall have a duration of 40 minutes each way, In the event of an abandoned match, for whatever reason, the result must be notified to the Competition Secretary.

The Competition Committee / discipline committee will make the final decision.

8. Points for pool matches will be awarded as follows:

4 points for a win

2 points for a draw

1 bonus point for a team scoring four or more tries

1 bonus point for a team losing by 7 points or more

Should a game not be played, with no fault attributed to either side, then 2 points will be awarded to both.

Where a club concedes a game and does not play as a friendly, they will be deducted 5 points and their opponents will be awarded 5 points, should a club withdraw from the Competition, the points together with for and against scores in matches already played shall be removed from their opponent's total.

Pool positions will be determined firstly, by the number of pool points accrued.

In the event of a tie, the pool position will be determined by points scored and points conceded.

Should there still be a tie then the result of the game between the two teams will count.

9. Should a team be short of players, their opponents should attempt to loan them players. Any loaned player will not be cup tied. Failure to agree this compromise will result in the game being played with reduced numbers on both teams (minimum of 10 players).

Both teams MUST play with equal numbers always except for a yellow or red card being issued by the referee.

Substitutes: unlimited rolling substitutions with unlimited interchanges permitted.

We strongly advise that substitutes be used in a fair and even way, if a team has 15 or less players the opposition are encouraged to use their substitutes on both sides giving every player game time and playing in the "spirit" of the game.

10. Positions in the qualifying stages (if any) of the competition shall be based firstly on the group points awarded (as 9 above). Should there be a tie then the difference between match points for and against shall count.

If still equal then by the results of the game between the two teams, and if still equal, then by the total number of tries scored.

If a pitch is unplayable the home team must give the away team a "heads up" on the Friday evening with a pitch inspection taking place by 9.00am on the Saturday morning, if the away team have a playable pitch, then the home team are obliged to travel.

Outcome: no pitch available, rearrangement on a catch-up weekend or 2 pts. Each.

If the home team fails to travel, no points awarded to the non-traveling side, the other side awarded 5pts.

No reasons other than the above will be accepted for a postponement, games can be played with a min of 10 players per side.

**Appeal process:**

A decision made by the league secretary may be appealed against. Notification of your wish to appeal must be made within 48 hours of the original decision and sent to the group secretary for the committee to decide upon, a meeting may be called at the discretion of the group secretary / Chairman.

A further appeal is permitted, your complaint must be put in writing within 7 days of the committee's decision. Your complaint will then be passed to an independent panel (to be decided) for a final decision.

Any points not covered above must be verified by the Competition Secretary or Competition Committee.

The Competition Committee consists of the Chairman, the Secretary and the Competition Secretary.

**CLUBS PLEASE NOTE:**

All CRFU group trophies, including the sevens competition, must be returned engraved to the Competitions Secretary two weeks in advance of finals or your club will be invoiced for a replacement cup.

- For purposes which are required by law:
  - we maintain records such as health and safety records and accounting records in order to meet specific legal requirements
  - we ensure, where you will work with children, that you have undergone an appropriate DBS check – this is also carried out with your consent
  - where you hold a role at the CRFU requiring us to check your right to work, we may process information to meet our statutory duties
  - we may respond to requests by government or law enforcement authorities conducting an investigation

### **How does the RFU use any of my information?**

The RFU provides GMS, but make its own use of the following information:

- your name
- your gender
- your date of birth
- your RFU ID (as assigned in GMS)

- your home address, email address and phone number; and
- your type of membership and involvement in particular teams at the Club, or any key role you may have been allocated, such as Chair, Safeguarding Lead, Membership Secretary etc

The RFU uses this information as follows:

- As required by the RFU to conduct its business and pursue its legitimate interests, in particular:
  - communicating with you or about you where necessary to administer Rugby in England, including responding to any questions you send to the RFU about GMS
  - administering and ensuring the eligibility of players, match officials and others involved in English rugby – this may involve the receipt of limited amounts of sensitive data in relation to disabled players, where they are registered for a disabled league or team, or in relation to anti-doping matters
  - maintaining records of the game as played in England, in particular maintaining details of discipline and misconduct
  - monitoring use of GMS, and using this to help it monitor, improve and protect its content and services and investigate any complaints received from you or from others about GMS
  - maintaining statistics and conducting analysis on the make-up of rugby’s participants
  - ensuring compliance with the current RFU Rules and Regulations including those on the affiliation of clubs, referee societies, constituent bodies and other rugby bodies, and registration of players; and
  - communicating with you to ask for your opinion on RFU initiatives
- For purposes which are required by law:
  - The RFU will ensure, where you will work with children and where this is required, that you have undergone an appropriate DBS check – this is also carried out with your consent
  - The RFU may respond to requests by government or law enforcement authorities conducting an investigation

### **Withdrawing consent or otherwise objecting to direct marketing**

Wherever we rely on your consent, you will always be able to withdraw that consent, although we may have other legal grounds for processing your data for other purposes, such as those set out above. In some cases, we are able to send you direct marketing without your consent, where we rely on our legitimate interests. You have an absolute right to opt-out of direct marketing, or profiling we carry out for direct marketing, at any time. You can do this by following the instructions in the communication where this is an electronic message, or by contacting us using the details set out below in the **“How do I get in touch with you or the RFU?”** section.

### **Who will we share this data with, where and when?**

In addition to sharing data with the RFU, we will share your data with the media for public relation purposes.

Some limited information may be shared with other stakeholders in rugby, such as other clubs, Constituent Bodies, referee societies, league organisers, so that they can maintain appropriate records and assist us in organising matches and administering the game.

Personal data may be shared with government authorities and/or law enforcement officials if required for the purposes above, if mandated by law or if required for the legal protection of our or the RFU’s legitimate interests in compliance with applicable laws.

Personal data will also be shared with third party service providers, who will process it on our behalf for the purposes identified above. Such third parties include the RFU as the provider of GMS.

Where information is transferred outside the EEA, and where this is to a stakeholder or vendor in a country that is not subject to an adequacy decision by the EU Commission, data is adequately protected by EU Commission approved standard contractual clauses, an appropriate Privacy Shield certification or a vendor’s Processor Binding Corporate Rules. A copy of the relevant mechanism can be provided for your review on request.

## What rights do I have?

You have the right to **ask us for a copy** of your personal data; to **correct, delete or restrict** (stop any active) processing of your personal data; and to **obtain the personal data you provide to us for a contract or with your consent in a structured, machine-readable format**.

In addition, you can **object to the processing** of your personal data in some circumstances (in particular, where we don't have to process the data to meet a contractual or other legal requirement, or where we are using the data for direct marketing).

These **rights may be limited**, for example if fulfilling your request would reveal personal data about another person, or if you ask us to delete information which we are required by law to keep or have compelling legitimate interests in keeping.

You have the same rights for data held by the RFU for its own purposes on GMS.

To exercise any of these rights, you can get in touch with us– or, as appropriate, the RFU or its data protection officer – using the details set out below. If you have unresolved concerns, you have the **right to complain** to the Information Commissioner's Office.

Much of the information listed above must be provided on a mandatory basis so that we can make the appropriate legal checks and register you as required by RFU Rules and Regulations. We will inform you which information is mandatory when it is collected. Some information is optional, particularly information such as your medical information. If this is not provided, we may not be able to provide you with appropriate assistance, services or support.

## How do I get in touch with you or the RFU?

We hope that we can satisfy queries you may have about the way we process your data. If you have any concerns about how we process your data, you can get in touch at [janebellcornishrugby@gmail.com](mailto:janebellcornishrugby@gmail.com) or by writing to The Hon. Secretary, CRFU, 19, Windmill, Fowey, Cornwall, PL23 1HB.

If you have any concerns about how the RFU process your data, you can get in touch at [legal@rfu.com](mailto:legal@rfu.com) or by writing to The Data Protection Officer, Rugby Football Union, Twickenham Stadium, 200 Whitton Road, Twickenham TW2 7BA.

## How long will you retain my data?

We process the majority of your data for as long as you are an active member and for 6 years after this.

Where we process personal data for marketing purposes or with your consent, we process the data for 6 years unless you ask us to stop, when we will only process the data for a short period after this (to allow us to implement your requests). We also keep a record of the fact that you have asked us not to send you direct marketing or to process your data indefinitely so that we can respect your request in future.

Where we process personal data in connection with performing a contract or for a competition, we keep the data for 6 years

We will retain information held to maintain statutory records in line with appropriate statutory requirements or guidance.

The RFU will maintain records of individuals who have registered on GMS, records of DBS checks and the resulting outcomes and other disciplinary matters for such period as is set out in the RFU's privacy notice to be set out on [www.englishrugby.com](http://www.englishrugby.com).

Records of your involvement in a particular match, on team sheets, on results pages or in match reports may be held indefinitely both by us and the RFU in order to maintain a record of the game.

## THE SOUTH WESTERN DIVISION RUGBY FOOTBALL MUTUAL BENEFIT FUND

The Fund founded by the late Tom Lean of Plymouth in 1920 is administered by official representatives of Cornwall, Devon, Gloucestershire and Somerset, to provide financial assistance to players, officials and/or referees, or in the case of death where there is hardship, to relatives of same. The assistance given over the years has been considerable, but due to the development of the game on a more physical basis the number of injuries is not only increasing but is becoming more serious, and the question of insurance cover is a matter which should be looked into.

There are still a number of clubs in the South West who have apparently overlooked the important factor of making sure their players are adequately covered against injury, and the attention of every club is therefore drawn to the advantages to be obtained from taking up Membership of the South Western Mutual Benefit Fund, particularly in view of the fact that two significant changes have been made from last year, viz.,

1. The Insurance taken up with the Fund for loss of earnings Benefit will now cover up to £50 PER DAY. (All claims are based on a 6-day week.)
2. The RFU this year will pay the Compulsory Insurance and Public/Employers Liability direct. This means we have reduced our Premiums to show this.

### **Other points are:-**

3. Maximum period of Benefit is 156 days, although this can be increased in special circumstances at the Committee's discretion.
4. In addition to **LOSS OF EARNINGS BENEFIT**, cover also includes **PHYSIOTHERAPY & DENTAL TREATMENT** not available under the D.H.S.S.
5. You will see the Fund was founded in 1920 under the aegis of the South West Constituent Bodies for rugby people.  
*Full details are available from — R.J. Farthing, 49A Bridge Street, Taunton, Somerset TA1 1TP.*
6. Professional Players & Referees  
Nbo compensation is payable in respect of loss of income derived from the playing, coaching or refereeing of rugby union football.
7. Premiums  
Annual premiums are due on the 1st August in each year and cover claims in respect of injuries sustained in the ensuing 12 months.

**"WARNING"** – An upsurge in the number of casual games such as 'Pub XV's has been reported. Club Officials would be well advised to inform their players that they are unlikely to be covered for any form of insurance when playing in such games not on a club's normal fixture list.

## **IMPORTANT NOTICES**

Death from Heart Failure or Collapse does not come within the cover afforded by the Rules of the Fund but is available from the RFU.

If claims are not notified in accordance with the Rules, and the correct information given, then a claim might be rejected.

**SOUTH WESTERN DIVISION RUGBY FOOTBALL  
MUTUAL BENEFIT FUND  
CLAIMS PROCEDURE**

1. Immediately a player is injured on the field of play his Club Secretary must be informed, and a first notification that a claim may develop must be sent to the Hon. Secretary of the Fund WITHIN TWENTY-ONE DAYS.
2. WITHIN TWENTY-ONE DAYS of the injury, the claim form must be completed as required, and forwarded with the relevant documents requested to the Hon. Secretary of the Fund.
3. Nett Weekly wage is the actual amount received by the player after all statutory deductions such as NHS, Tax, etc., have been deducted, and it is essential copies or proof of wages are sent.
4. As soon as the player has been declared fit to resume his occupation, a final medical certificate should be sent to the Hon. Secretary of the Fund, when the benefit due will be paid providing everything is in order.
5. It is primarily the responsibility of the player and his Captain to ensure the Official dealing with insurance is notified without undue delay of any injury to a player.

This is YOUR FUND for YOUR BENEFIT and can only succeed with your co-operation.
